MDL No. 2804

Case No. 1:17-md-2804

Hon. Dan Aaron Polster

DECLARATION OF KIRK HARBAUER

Pursuant to 28 U.S.C. § 1746, I, Kirk Harbauer, declare as follows:

1. I am Vice President of Information Services for Prescription Supply Inc., located in Northwood, Ohio. Based on approximately 40 years of service in that role and others at Prescription Supply, I have personal knowledge of the facts set forth in this declaration and if called as a witness could testify competently thereto.

2. Based on comparing the max monthly units log-file data and the sales-history data produced in this litigation—which essentially compares orders over threshold (which are not suspicious simply by virtue of being over threshold) to sales—it is possible to determine which orders Prescription Supply has blocked and not shipped since 2008, when the company implemented an automatic system.

3. Comparing these two sets of data confirms that Prescription Supply stopped shipment of 615 orders between 2008 and 2016. A spreadsheet detailing these transactions is attached as Exhibit 1.

Executed on this 29th day of July 2019 in Northwood, Ohio.
